

AUTOPARCHEGGIO RIVIERA MEMBERSHIP TERMS

RESIDENTS AND WORKERS ANNUAL MEMBERSHIP: 160,00€ per month

New members will have to subscribe at first a 3-month membership; the subscription will have to be paid all at once before getting the carpark card. Subscribing 6 whole months will entitle members with an additional free month (6+1).

This kind of membership will guarantee a favourite place and the access to the carpark once the latter is full.

If the designated place is temporarily occupied by other members, the society will not be responsible and the subscribers whose place is occupied will park their car in another free place.

NON-REFUNDABLE payment.

NONRESIDENTS ANNUAL MEMBERSHIP: 200,00€ per month

New members will have to subscribe at first a 3-month membership; the subscription will have to be paid all at once before getting the carpark card. Subscribing 6 whole months will entitle members with an additional free month (6+1).

This kind of membership will guarantee a favourite place and the access to the carpark once the latter is full.

If the designated place is temporarily occupied by other members, the society will not be responsible and the subscribers whose place is occupied will park their car in another free place.

NON-REFUNDABLE payment.

“NO CONDITION” MONTHLY MEMBERSHIP: 500,00€ per month

The “no condition” monthly membership will not request paying in advance the mandatory 3 months, nor guaranteeing a yearlong membership.

Subscribing 6 whole months will entitle members with an additional free month (6+1).

This kind of membership will guarantee a favourite place and the access to the carpark once the latter is full.

If the designated place is temporarily occupied by other members, the society will not be responsible and the subscribers whose place is occupied will park their car in another free place.

Between the 1st of June and the 31st of August, a minimum 3-month subscription is required.

NON-REFUNDABLE payment.

The carpark is open and accessible 24/7, 365 days a year. The carpark is equipped with video surveillance and manned during office hours, while remote controlled outside working hours.
